Faith Academy Learning Management System (LMS) vClassroom

# STUDENT

## Quick Start Guide

Special Note: It can take up to 48 hours (school days - not weekends) for your vClassroom account to be created by Faith Academy. So if your username and temporary password do not work yet, try again a little later. If after 2 school days and your vClassroom account still has not been activated, call your campus.

**The vClassroom is the portal where all of your current courses and course work is located.**

# Faith Academy Learning Management System (LMS) vClassroom

The vClassroom is the portal where all of your current courses and course work is located.

You can use the Firefox Browser, Google Chrome Browser or Internet Explorer. (Note for Internet Explorer: If you are using a newer IE browser make sure you turn on the “compatibility setting” It turns blue when it is on. If it is not on, you will have some issues within the portal with items not working.

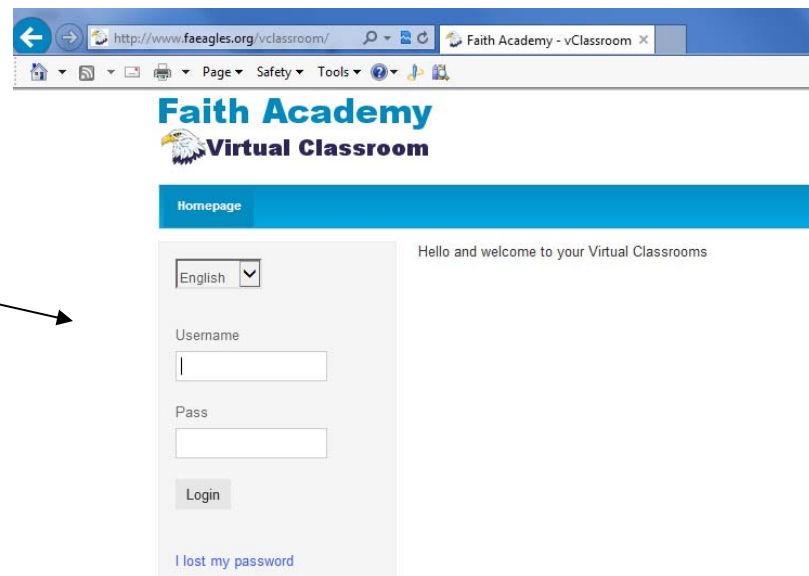

To locate the vClassroom portal and log in you simply need to go to <http://www.faeagles.org>

On this web page will be some tutorial handouts and videos you can use to aid you in learning how to use the vClassroom.

When you are comfortable with the portal training and you are ready to login to get to your vClassrooms, you simply need to click the login link and it will take you to the portal login page.

To login for the first time each semester. You will need your student ID and the temporary password. Both can be found on your student schedule.

After you clicked the Green reply link you will get the input screen where you can enter your reply.

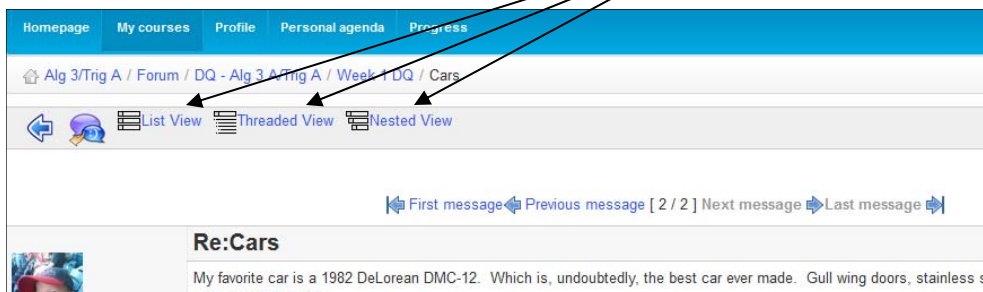

Type your reply here in this text box.

After you have typed in your reply you need to click the “Reply to this message” button to submit your answer.

Note: You can view the thread in different ways by clicking the on one of the 3 available viewing options.

Some subjects will have Links. When you click on the Links icon you can see any of the available links that the teacher has included for you to aid in your weekly packets or discussion questions.

In the Links section you can see the available links for the particular weeks. To open the week you need to click the week number.

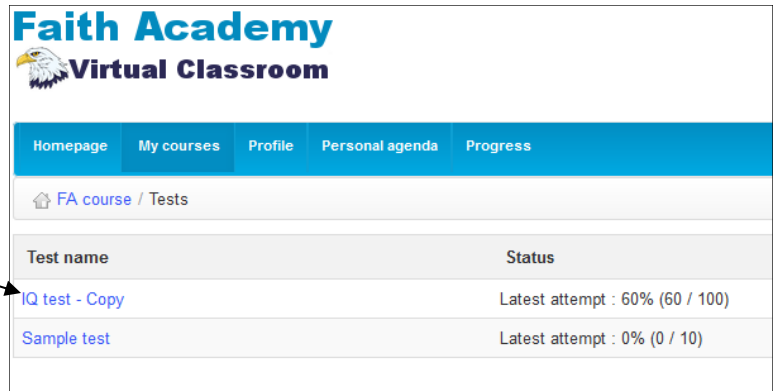

The screenshot shows the Faith Academy Virtual Classroom interface. At the top, there is a navigation bar with tabs for 'Homepage', 'My courses', 'Profile', 'Personal agenda', and 'Progress'. Below the navigation bar, the breadcrumb path is 'Alg 3/Trig A / Links'. The main content area displays a list of weeks. The 'Week 1' entry is highlighted, showing 'week 1 links'. An arrow from the text on the left points to the 'Week 1' entry.

To view the external website or documents, click the desired web link.

The screenshot shows the Faith Academy Virtual Classroom interface, similar to the previous one. The 'Week 1' entry is expanded, showing a list of links. The first link is 'Google link' with a globe icon and the text 'Google Link'. The second link is 'Alg 3 Linear video' with a globe icon and the text 'Alg 3 Linear video'. Two arrows from the text on the left point to these two links.

Some subjects will have Test. Test are online quizzes, tests or worksheets. When you click on the Test icon you can see any of the available links that the teacher has included for you. The teacher will place a note in the announcements section if there are any tests to be taken online.

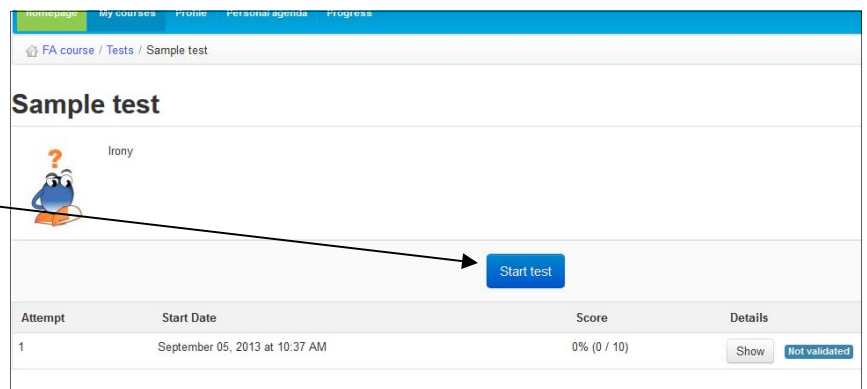

Choose the test you need to take

The screenshot shows the 'Faith Academy Virtual Classroom' interface. At the top, there is a navigation bar with 'Homepage', 'My courses', 'Profile', 'Personal agenda', and 'Progress'. Below this, a breadcrumb trail reads 'FA course / Tests'. A table lists available tests:

Test name	Status
<a href="#">IQ test - Copy</a>	Latest attempt : 60% (60 / 100)
<a href="#">Sample test</a>	Latest attempt : 0% (0 / 10)

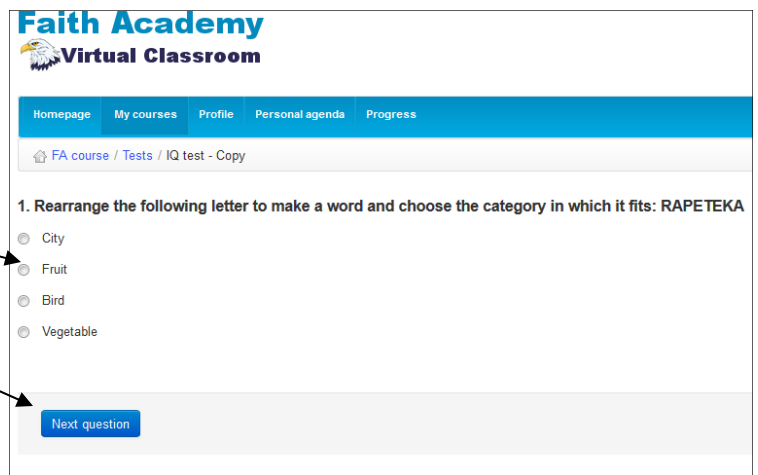

Choose the start button to begin the test

The screenshot shows the 'Sample test' page. It features a question icon and the word 'Irony'. A blue 'Start test' button is visible. Below the question, a table shows the test history:

Attempt	Start Date	Score	Details
1	September 05, 2013 at 10:37 AM	0% (0 / 10)	Show <a href="#">Not validated</a>

Answer the question and then click the "Next Question" button

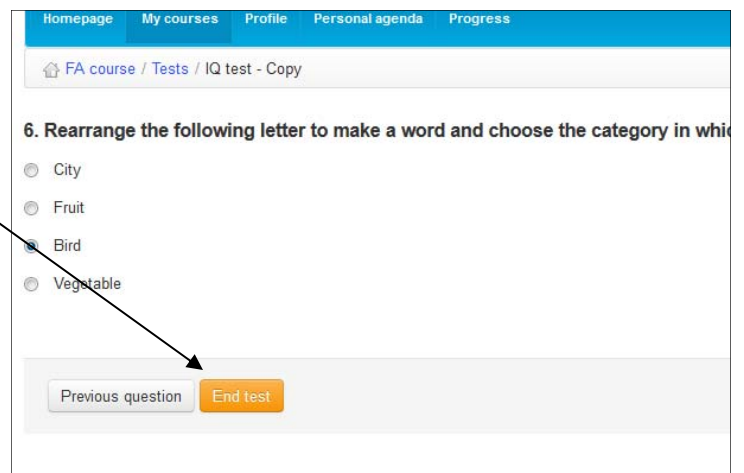

The screenshot shows a question from the 'IQ test - Copy'. The question is: '1. Rearrange the following letter to make a word and choose the category in which it fits: RAPETEKA'. The options are:

- City
- Fruit
- Bird
- Vegetable

A blue 'Next question' button is located at the bottom of the question area.

At the end of the test click the "End Test" button to submit your completed test.

The screenshot shows the same question as above, but with the 'Bird' option selected. At the bottom, there are two buttons: 'Previous question' and 'End test'.
