

# Faith Academy Learning Management System (LMS)vClassroom

The vClassroom is the portal where all of your current courses and course work is located. Google Chrome is the recommended web browser for the vClassroom portal.

To locate the vClassroom portal and log in you simply need to go to <http://vclassroom.faeagles.org>.

On the login screen are some tutorial handouts and videos you can use to aid you in learning how to use the vClassroom.

When you are comfortable with the portal training and you are ready to login to get to your vClassrooms, you type in your username and password and click the Login button.

To login for the first time each semester. You will need your student ID and the temporary password. Both can be found on your student schedule.

**My Courses Tab** - This is where all of your course classrooms can be found.

**Profile Link** - This is where you will change your password. You should do this the first time you log in.

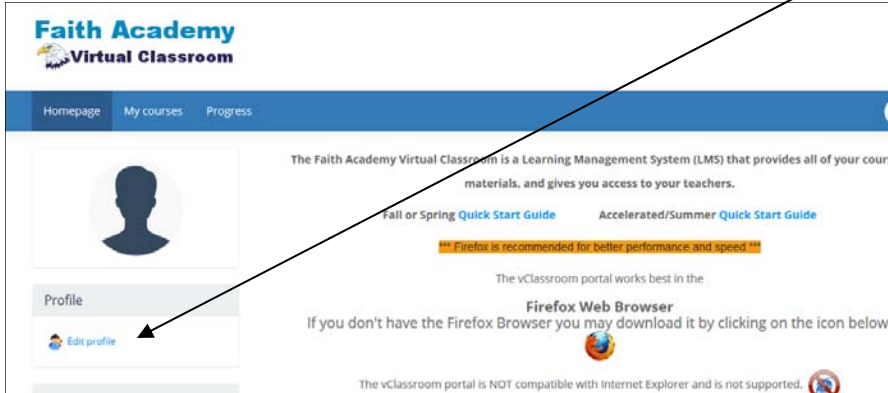

**Progress Tab** - Is not currently being used by Faith Academy. So it might show 0 progress for your courses. But don't worry we are not utilizing this feature.

**Log Out** - Click the Link here to logout of the system.

The screenshot shows the Faith Academy Virtual Classroom interface. At the top left is the logo with an eagle icon. A blue navigation bar contains 'Homepage', 'My courses', 'Progress', and a user profile icon labeled 'testuser testuser'. Below the navigation bar is a sidebar with a profile picture placeholder, a 'Profile' section with an 'Edit profile' link, and a 'Main navigation' section with links for 'Profile' and 'Personal agenda'. The main content area features a welcome message, links for 'Fall or Spring Quick Start Guide' and 'Accelerated/Summer Quick Start Guide', a Firefox recommendation banner, and browser compatibility instructions. A 'Quick Start Overview' section is visible at the bottom.

## Change Password

To change your password you can click the edit profile link to get to the edit screen.

To create a new password you must type the current password in here and type the new password into both of these areas.

The screenshot shows the 'Profile' edit screen. It features a user profile icon and several input fields: 'First name' (testuser), 'Last name' (testuser), 'Username' (testuser), 'Code', 'e-mail', 'Phone', 'Language' (English), 'Pass', 'New password', and 'Confirm password'. Below the 'Pass' field is a text instruction: 'To change your password, enter your current password in the field above and your new password in both fields below. To maintain the current password, leave the three fields empty.' At the bottom is a blue 'Save settings' button. Arrows point from the text above to the 'Pass', 'New password', and 'Confirm password' fields, and another arrow points from the 'Save settings' button to the text below.

Click the "Save settings" to save your changes.

In the My Courses tab you will see all of the courses in which you are currently enrolled. To enter into the course just click the course name.
